ARTICLE 6.0 INSPECTIONS AND MONITORING

Section 6.1 Authority For Inspections

Whenever necessary to make an inspection to enforce any of the provisions of this ordinance, or regulation or permit issued hereunder, or whenever an Authorized Official has reasonable cause to believe there exists any condition constituting a violation of any of the provisions of this ordinance, or regulation or permit issued hereunder, any Authorized

Official may enter any property, building or facility at any reasonable time to inspect the same or to perform any duty related to enforcement of the provisions of this ordinance or any regulations or permits issued hereunder; provided that (a) if such property, building or facility is occupied, such Authorized Official shall first present proper credentials and request permission to enter, and (b) if such property, building or facility is unoccupied, such Authorized Official shall make a reasonable effort to locate the owner or other person having charge or control of the property, building or facility, and shall request permission to enter. Any request for permission to enter made hereunder shall state that the owner or person in control has the right to refuse entry, and that in such event that entry is refused, the Authorized Official may enter to make inspection only upon issuance of a search warrant by a duly authorized magistrate. If the owner or person in control refuses permission to enter after such request has been made, the Authorized Official is hereby authorized to seek assistance from any court of competent jurisdiction in obtaining entry. Routine or area-wide inspections shall be based upon such reasonable selection processes as may be necessary to carry out the purposes of this ordinance, including but not limited to random sampling and sampling in areas with evidence of stormwater contamination, non-stormwater discharges, or similar factors.

Section 6.2 Authority For Monitoring and Sampling

Any Authorized Official may establish on any property such devices as are necessary to conduct sampling or metering of Discharges to the Stormwater System. During any inspections made to enforce the provisions of this ordinance, or regulations or permits issued hereunder, any Authorized Official may take any samples deemed necessary.

Section 6.3 Requirements For Monitoring

The Director may require any Person engaging in any activity or owning any property, building or facility (including but not limited to a Site of Industrial Activity) to undertake such reasonable monitoring of any Discharge(s) to the Stormwater System and to furnish periodic reports.

ARTICLE 7.0 CODIFICATION

This ordinance shall be codified in the Code of Ordinances of the Village of Wellington, Florida.

ARTICLE 8.0 REPEAL OF CONFLICTING ORDINANCES

All Ordinances, Resolutions or parts of ordinances and resolutions in conflict herewith are hereby repealed.
