

## ANNUAL REPORT FORM FOR INDIVIDUAL NPDES PERMITS FOR MUNICIPAL SEPARATE STORM SEWER SYSTEMS (RULE 62-624.600(2), F.A.C.)

- This Annual Report Form must be completed and submitted to the Department to satisfy the annual reporting requirements established in Rule 62-621.600, F.A.C.
- Submit this fully completed and signed form and any REQUIRED attachments by email to the NPDES Stormwater Program Administrator or to
  the MS4 coordinator. Their names and email addresses are available at: <a href="http://www.dep.state.fl.us/water/stormwater/npdes/contacts.htm">http://www.dep.state.fl.us/water/stormwater/npdes/contacts.htm</a>. If files
  are larger than 10mb, materials may be placed on the NPDES Stormwater ftp site at: <a href="http://ftp.dep.state.fl.us/pub/NPDES\_Stormwater/">http://ftp.dep.state.fl.us/water/stormwater/npdes/contacts.htm</a>. If files
  are larger than 10mb, materials may be placed on the NPDES Stormwater ftp site at: <a href="http://ftp.dep.state.fl.us/pub/NPDES\_Stormwater/">http://ftp.dep.state.fl.us/pub/NPDES\_Stormwater/</a>. After
  uploading the ANNUAL REPORT files, an email must be sent to the MS4 coordinator or the NPDES program administrator notifying them the
  report is ready for downloading
- Refer to the Form Instructions for guidance on completing each section.
- Please print or type information in the appropriate areas below

| SECT | ION I. BACKGROUND INFORMATION                             |                   |                   |                                 |

# SECTION II. MS4 MAJOR OUTFALL INVENTORY (Not Applicable In Year 1) A. Number of outfalls ADDED to the outfall inventory in the current reporting year (insert "0" if none): 0 (Does this number include non-major outfalls? Yes No XX (Not Applicable) B. Number of outfalls REMOVED from the outfall inventory in the current reporting year (insert "0" if none): 0 (Does this number include non-major outfalls? Yes No XX (Not Applicable) C. Is the change in the total number of outfalls due to lands annexed or vacated? Yes No XX (Not Applicable)

| SECT | ION III. MONITORING PROGRAM  |
|------|--|
|      | Provide a brief statement as to the status of monitoring plan implementation:  |
| Α.   | The monitoring plan is carried out as a joint effort by the Palm Beach County Co-permittees. Please see the Palm Beach County Joint Annual Report for the monitoring information.  |
|      | Provide a brief discussion of the monitoring results to date:  |
| В.   | • <u>DEP Note:</u> See Part V of the permit for the monitoring requirements. Each permittee must discuss the monitoring results as it relates to the implementation and effectiveness of their SWMP. Refer to Joint Report |
| C.   | Attach a monitoring data summary, as required by the permit. Refer to Joint Report   |

| Total expenditures for the NPDES stormwater management program for the current reporting year: \$3,378.52   |
|---|
| <u>DEP Note:</u> If program resources have decreased from the previous year, attach a discussion of the impacts on the implementation of the SWMP as per Part II.F of the permit. |

#### SECTION V. MATERIALS TO BE SUBMITTED WITH THIS ANNUAL REPORT FORM

Only the following materials are to be submitted to the Department along with this fully completed and signed Annual Report Form (check the appropriate box to indicate whether the item is attached or is not applicable):

| Attached    |                | *** <u>DEP Note:</u> Please complete Checklists A & B at the end of the tailored form.***<br>Any additional information required to be submitted in this current annual reporting year in<br>accordance with Part III.A of your permit that is not otherwise included in Section VII below. |
|-------------|----------------|---|
| $\boxtimes$ |                | A monitoring data summary as directed in Section III.C above and in accordance with Rule 62-<br>624.600(2)(c), F.A.C. (Refer to Joint Report)   |
|             | $\boxtimes$    | Year 1 ONLY: An inventory of all known major outfalls and a map depicting the location of the major outfalls (hard copy or CD-ROM) in accordance with Rule 62-624.600(2)(a), F.A.C.   |
|             | $\boxtimes$    | Year 3 ONLY: The estimates of pollutant loadings and event mean concentrations for each major outfall or each major watershed in accordance with Rule 62-624.600(2)(b), F.A.C.  |
| $\boxtimes$ |                | Year 4 ONLY: Permit re-application information in accordance with Rule 62-624.420(2), F.A.C. (Refer to Joint Report)  |
|             | (such as recor | DO NOT SUBMIT ANY OTHER MATERIALS<br>ds and logs of activities, monitoring raw data, public outreach materials, etc.)   |

#### SECTION VI. CERTIFICATION STATEMENT AND SIGNATURE

The Responsible Authority listed in Section I.F above must sign the following certification statement, as per Rule 62-620.305, F.A.C:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based upon my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

| II.A.7.e                     | e       Illicit Discharges and Improper Disposal — Public Reporting         During Year 1 of the permit, develop and implement a written public education and outreach program plan to promote, publicize, and facilitate public reporting of the presence of illicit discharges and improper disposal of materials into the MS4. Report on the public education and outreach activities that are performed or sponsor by the permittee within the permittee's jurisdiction to encourage the public reporting of suspected illicit discharges and improper disposal of materials, including the t and number of activities conducted, the type and number of materials distributed, the percentage of the population reached by the activities in total, and the number Web site visits (if applicable).         DEP Note:       The permittee should "customize" the list of public outreach activities by removing items or adding items to the list below as appropriate to their particular public outreach program. However, the reporting item of "Estimated percentage of the population reached by the activities in total" must remain unless the permittee chooses to reference the PBC Joint AR, as demonstrated in the first reporting item below. The permittee may add more specifics to the reporting items, such as the name of the brochure or newsletter distributed. If "0" is reported in Column C for all the reporting items, and the PBC Joint AR is not reference please include in Column F an explanation for why no outreach was performed.         Public education and outreach program       The public outreach and education plan is carried out as a joint effort by the Palt Beach County Co-permittees. Please see the Palm Beach County Joint Annual |  |  |  |   |   |  |  |  |

|  | Sampling of the discharge to the stormwater system may be required on an as-needed basis in the event that inspections of high-risk facilities disclose suspected illicit discharges to the MS4. New high-risk industrial facilities as defined in 40 CFR 122.26(d)(2)(iv)(C) must be evaluated to determine if the new discharge is contributing a substantial pollutant load to the MS4. The evaluation may include site-specific monitoring. Report the number of high risk facilities sampled.   |   |  |                                      |                 |  |  |  |  |  |

|  | As an attachment to the Year 1 Annual Report, the permittee shall submit a written plan that details the standard operating procedures for implementation of the stormwater, erosion and sedimentation inspection program for construction sites discharging stormwater to the MS4. The permittee shall implement the plan for inspecting construction sites immediately upon written approval by the Department. Prior to Department approval, the permittee shall continue to perform inspections in accordance with its previously developed construction site inspection procedures. Report on the inspection program for privately-operated and permittee-operated construction sites inspected, and the number of active construction sites during the reporting year, the number of inspections of active construction sites, including the number of active construction sites during the reporting year, the number of inspections of active construction sites, the percentage of active construction sites inspected, and the number and type of enforcement actions / referrals taken. <u>DEP Note:</u> If "0" is reported in Column C for the number of inspections conducted, please provide an explanation in Column F of why no inspections were conducted. If the number of inspections reported is equal to or less than the number of active construction sites, or the percentage inspected is less than 100%, please provide an explanation in Column F. In addition, the permittee should re-word the "NOVs / warning letters / citations issued" reporting item to more accurately reflect its particular initial enforcement activity, if necessary. <u>DEP Note:</u> Refer to Part III.A.9.b of the permit for what must be included in the construction site inspection program plan. Please provide the title of the attached of the attached is the standard operation in the operation of the permit operate. |   |  |                                      |                 |  |  |  |  |  |

|   | Year 1 ONLY: Attach the w   | ritten construct  | on site inspectio                    | n program plan    | N/A                                  |                           |                                      |   |  |
| Part<br>III.A.9.c   | Construction Site Runoff —  | - Site Operator 1 | raining                              |                   |                                      |                           |                                      |   |  |
|   | During Year 1 of the permit, develop and implement a written plan for stormwater training / outreach for construction site plan reviewers, site inspectors and site operators. Provide training for permittee personnel (employed by <u>or under contract with</u> the permittee) and private persons involved in the site plan review, inspection or construction of stormwater management, erosion, and sedimentation controls. All inspectors of construction sites shall be certified through the Florida Stormwater, Erosion, and Sedimentation Control Inspector Training program, or an equivalent program approved by the Department. Refresher training shall be provided annually. Report the number and type of training activities, the number of inspectors, site plan reviewers and site operators trained (both in-house and outside training), and the number of private persons trained by the permittee. <u>DEP Note:</u> If "0" is reported for any of these reporting items, please include in Column F an explanation of why training was not provided to / obtained by the permittee's staff and private persons during the applicable reporting year. <u>DEP Note:</u> The permittee should report only the number of staff and private construction site operators trained / certified during the applicable reporting year, and then note in Column F the number of staff who were previously trained / certified. Private site operator training can include pre-construction meetings. |                   |                                      |                   |                                      |                           |                                      |   |  |

### SECTION VIII. EVALUATION OF THE STORMWATER MANAGEMENT PROGRAM (SWMP)

| Permit Citation/<br>SWMP Element   | SWMP EVALUATION  |
|------------------------------------|--|
| Part II.A.1<br>Structural          | Strengths: Structural controls are new and in good condition.  |
| control<br>inspection and          | Weaknesses: None   |
| maintenance                        | SWMP Revisions to address deficiencies: None needed.   |
| D. (    A A                        | Strengths: Community is nearly built out in the residential zone. Commercial zone mostly vacant.   |
| Part II.A.2<br>Significant         | Weaknesses: None   |
| redevelopment                      | SWMP Revisions to address deficiencies: None needed.   |
| Port II A 2                        | Strengths: Roadway system is very small and all residents collect debris in front of their homes and swales, so contracted services are not needed.<br>Town Manager inspects roadways on a weekly basis and collects any debris that may be present. |
| Part II.A.3<br>Roadways            | Weaknesses: None.  |
|                                    | SWMP Revisions to address deficiencies: None needed.   |
|                                    | Strengths: Past improvements to the existing storm water system has filled in any gaps that may have been present.   |
| Part II.A.4<br>Flood control       | Weaknesses: None.  |
|                                    | SWMP Revisions to address deficiencies: None needed.   |
|                                    | Strengths: No Waste TSD Facilities.  |
| Part II.A.5<br>Waste TSD           | Weaknesses: N/A  |
| Facilities                         | SWMP Revisions to address deficiencies: N/A  |
| Part II.A.6                        | Strengths: Town has adopted a Fertilizer Ordinance and provided a copy to all residents.   |
| Pesticide,<br>herbicide,           | Weaknesses: None.  |
| fertilizer<br>application          | SWMP Revisions to address deficiencies: None needed.   |
| Part II.A.7                        | Strengths: None reported this permit year.   |
| Illicit Discharge<br>Detection and | Weaknesses: None.  |
| Elimination                        | SWMP Revisions to address deficiencies: None needed.   |

| SEC | SECTION VIII. EVALUATION OF THE STORMWATER MANAGEMENT PROGRAM (SWMP) |   |  |  |  |  |  |  |  |
|-----|--|---|--|--|--|--|--|--|--|
|     |  | Strengths: No High Risk Industry in Town.                   |  |  |  |  |  |  |  |
|     | Part II.A.8<br>High Risk   | Weaknesses: None.   |  |  |  |  |  |  |  |
|     | Industry Runoff  | SWMP Revisions to address deficiencies: N/A                 |  |  |  |  |  |  |  |
|     | Part II.A.9  | Strengths: No construction activity during the permit year. |  |  |  |  |  |  |  |
|     | Construction<br>Site Runoff  | Weaknesses: None.   |  |  |  |  |  |  |  |
|     |  | SWMP Revisions to address deficiencies: Not needed.         |  |  |  |  |  |  |  |

| SEC | SECTION IX. CHANGES TO THE STORMWATER MANAGEMENT PROGRAM (SWMP) ACTIVITIES (Not Applicable In Year 4) |  |  |  |  |  |  |  |  |

#### CHECKLIST A: ATTACHMENTS TO BE SUBMITTED WITH THE ANNUAL REPORTS

Below is a list of items required by the permit that may need to be attached to the annual report. Please check the appropriate box to indicate whether the item is attached or is not applicable for the current reporting period. Please provide the number and the title of the attachments in the blanks provided.

| Attached | N/A | Rule / Permit<br>Citation            | Required Attachment   | Attachment<br>Number | Attachment Title             |
|----------|-----|--------------------------------------|---|----------------------|------------------------------|
|          | хх  | Part II.F                            | <b>EACH ANNUAL REPORT:</b> If program resources have decreased from the previous year, a discussion of the impacts on the implementation of the SWMP.   |                      |                              |
|          | ХХ  | Part III.A.1                         | <b>EACH ANNUAL REPORT:</b> An explanation of why the minimum inspection frequency in Table II.A.1.a was not met, if applicable.   |                      |                              |
|          | ХХ  | Part III.A.4                         | <b>EACH ANNUAL REPORT:</b> A list of the flood control projects that did <u>not</u> include stormwater treatment and an explanation for each of why it did not, if applicable.  |                      |                              |
|          | ХХ  | Part III.A.7.a                       | <b>EACH ANNUAL REPORT:</b> A report on amendments / changes to the legal authority to control illicit discharges, connections, dumping, and spills, if applicable.  |                      |                              |
| X        | X   | Part V.B.9                           | EACH ANNUAL REPORT: Reporting and assessment of monitoring results. [Also addressed in Section III of the Annual Report Form]   |                      | Refer to Year 4 Joint Report |
|          | xx  | Part VI.B.2                          | <b>EACH ANNUAL REPORT:</b> An evaluation of the effectiveness of the SWMP in reducing pollutant loads discharged from the MS4 that, <u>at a minimum</u> , must include responses to the questions listed in the permit. |                      |                              |
|          | xx  | Part VIII.B.3.e                      | <b>EACH ANNUAL REPORT:</b> A status report on the implementation of the requirements in this section of the permit and on the estimated load reductions that have occurred for the pollutant(s) of concern.             |                      |                              |
|          | хх  | Part VIII.B.4.f                      | <b>EACH ANNUAL REPORT after approval of the BPCP:</b> The status of the implementation of the Bacterial Pollution Control Plan (BPCP).  |                      |                              |
|          | xx  | Rule 62-<br>624.600(2)(a),<br>F.A.C. | <b>YEAR 1:</b> An inventory of all known major outfalls and a map depicting the location of the major outfalls (hard copy or CD-ROM).   |                      |                              |
|          | хх  | Part III.A.3                         | <b>YEAR 1:</b> If have curbs and gutters but no street sweeping program, an explanation of why no street sweeping program and the alternate BMPs used or planned.   |                      |                              |
|          | ХХ  | Part III.A.6                         | YEAR 1 or YEAR 2: A copy of the adopted Florida-friendly Ordinance, if applicable.  |                      |                              |
|          | XX  | Part III.A.7.c                       | YEAR 1: A proactive illicit discharge / connection / dumping inspection program plan.   |                      |                              |
|          | XX  | Part III.A.9.b                       | YEAR 1: A construction site inspection program plan. [For approval by DEP]  |                      |                              |
|          | хх  | Part III.A.2                         | <b>YEAR 2:</b> A summary report of a review of codes and regulations to reduce the stormwater impact from new development / redevelopment.  |                      |                              |
|          | ХХ  | Part V.A.2                           | <b>YEAR 3:</b> Estimates of annual pollutant loadings and EMCs, and a table comparing the current calculated loadings with those from the previous two Year 3 ARs.  |                      |                              |
|          | X   | Part III.A.2                         | <b>YEAR 4:</b> A follow-up report on plan implementation of changes to codes and regulations to reduce the stormwater impact from new development / redevelopment.  |                      | No Changes Needed Per Year 2 |
|          | x   | Part V.A.3                           | <b>YEAR 4:</b> If the total annual pollutant loadings have not decreased over the past two permit cycles, revisions to the SWMP, as appropriate.  |                      | Refer to Year 3 Joint Report |
| X        |     | Part V.B.3                           | YEAR 4: The monitoring plan (with revisions, if applicable).  |                      | Refer to Year 4 Joint Report |
| X        |     | Part VII.C                           | YEAR 4: An application to renew the permit.   |                      | Refer to Year 4 Joint Report |
|          | X   | Part VIII.B.3.d                      | YEAR 4: A TMDL Implementation Plan / Supplemental SWMP.   |                      | None Needed                  |

## CHECKLIST B: THE REQUIRED ANNUAL REVIEWS OF WRITTEN STANDARD OPERATING PROCEDURES (SOPS) & PLANS

The permit requires annual review, and revision if needed, of written Standard Operating Procedures (SOPs) and plans (e.g., public education and outreach, training, inspections). Please indicate your review status below. If you have made revisions that need DEP approval, you must complete Section VIII.A of the annual report.

| Did not<br>complete<br>review of<br>existing<br>SOP / Plan | Developed<br><u>new</u> written<br>SOP / Plan | Reviewed &<br><u>no revision</u><br><u>needed</u> to<br>existing<br>SOP / Plan | Reviewed &<br><u>revised</u><br>existing<br>SOP / Plan | Permit<br>Citation | Description of Required SOPs / Plans  |
|--|---|--|--|--------------------|---|
|  |   | ХХ   |  | Part III.A.1       | SOP and/or schedule of inspections and maintenance activities of the structural controls and roadway stormwater collection system.  |
|  |   | ХХ   |  | Part III.A.2       | SOP for development project review and permitting procedures and/or local codes and regulations for new development / areas of significant development.   |
|  |   | XX   |  | Part III.A.3       | SOP for the litter control program.   |
| N/A  | N/A   | N/A  | N/A  | Part III.A.3       | SOP for the street sweeping program.  |
| N/A  | N/A   | N/A  | N/A  | Part III.A.3       | SOP for inspections of equipment yards and maintenance shops that support road maintenance activities.  |
| N/A  | N/A   | N/A  | N/A  | Part III.A.5       | SOP for inspections of waste treatment, storage, and disposal facilities not covered by an NPDES stormwater permit.   |
|  |   | XX   |  | Part III.A.6       | Plan for public education and outreach on reducing the use of pesticides, herbicides and fertilizer.  |
| N/A  | N/A   | N/A  | N/A  | Part III.A.6       | Plan for pesticide, herbicide and fertilizer application training <u>DEP Note</u> : A plan is not necessary since the FDACS certification / licensing program adequately fulfills the permit requirement. |
| N/A  | N/A   | N/A  | N/A  | Part III.A.6       | SOP for reducing the use of pesticides, herbicides and fertilizer, and for the proper application, storage and mixing of these products.  |
|  |   | XX   |  | Part III.A.7.c     | Plan for proactive illicit discharge / connections / dumping inspections.*  |
|  |   | XX   |  | Part III.A.7.c     | SOP for reactive illicit discharge / connections / dumping investigations.  |
|  |   | XX   |  | Part III.A.7.c     | Plan for illicit discharge training.  |
|  |   | XX   |  | Part III.A.7.d     | SOP for spill prevention and response efforts.  |
|  |   | XX   |  | Part III.A.7.d     | Plan for spill prevention and response training.  |
|  |   | ХХ   |  | Part III.A.7.e     | Plan for public education and outreach on how to identify and report the illicit discharges and improper disposal to the MS4.   |
|  |   | ХХ   |  | Part III.A.7.f     | Plan for public education and outreach on the proper use and disposal of oils, toxics and household hazardous waste.  |
|  |   | XX   |  | Part III.A.7.g     | SOP to reduce / eliminate sanitary wastewater contamination of the MS4.   |
| N/A  | N/A   | N/A  | N/A  | Part III.A.8       | SOP for inspections of high risk industrial facilities.   |
|  |   | ХХ   |  | Part III.A.9.a     | SOP for construction site plan review for stormwater, erosion and sedimentation controls, and ERP and CGP coverage.   |
|  |   | XX   |  | Part III.A.9.b     | Plan for inspections of construction sites.*  |
|  |   | XX   |  | Part III.A.9.c     | Plan for stormwater, erosion and sedimentation BMPs training.   |

\* Revisions to these plans require DEP approval – please complete Section IX.A of the annual report and submit revised SOP for approval.

| Part VIII.B.4   | 30 MONTHS from start date per TMDL Prioritization Report: A Bacterial Pollution Control Plan (BPCP). | Not<br>Applicable |  |  |  |  |

# **BMAP** Reporting

MS4 permittees are NOT required to submit the annual report required by any BMAP that applies to them since the NPDES Stormwater Staff can obtain them from the department's Watershed Planning and Coordination staff. However, to assure that the stormwater staff are aware of which BMAPs apply to the MS4 permittees and when the latest BMAP annual report was submitted, please complete the information below, if applicable:

| Rule/Permit | Lake Okeechobee BMAP is underway for area's north of Lake. All applicable | Date BMAP     |
|-------------|---|---------------|
| Citation    | Palm Beach County permittees are in compliance with the TMDL and BMAP     | Annual Report |
|             | Programs  | Submitted to  |
|             |   | DEP           |

## END OF REVISED TAILORED MS4 AR FORM CYCLE 3 PERMIT
