**RE: Lake Clarke Shores – NPDES #FLS00018 Cycle 3  
Year 2 Annual Report Comments  
SJE Project # 92042.001**

Dear Mr. Hubbard;

This letter is in response to your letter dated August 6, 2013 regarding the above co-permittee. You requested justification as to why Lake Clarke Shores had not adopted the "Florida-friendly Fertilizer Ordinance". The justification is that Lake Clarke Shores is not within a basin that is impaired for nutrients.

Very truly yours,

A handwritten signature in blue ink, appearing to read 'Jay G. Foy', is written over the typed name and title.
